OVERVIEW

In the summer months your child can continue their enriching experiences with us at Purple Moose Enrichment Preschool. Campers ages 3-6 are welcome to join us during the month of June, July and August. Our 2 year old campers are welcome in the month of August. The camp program offers many hands-on learning adventures through thematic units. Our themes include a well-rounded curriculum that allows the young child opportunities to expand knowledge of their natural world, reasoning, problem solving skills, enriching language and vocabulary. Creativity is inspired through open-ended art and music experiences. Of course this wouldn't be summer camp if we didn't spend plenty of time outdoors...playing.
