

PURPLE MOOSE SUMMER

DISCOVERY CAMP 2022

LEARNING FUN DOESN'T HAVE TO STOP IN MAY!

JUNE 7th - 23rd

**TUESDAY, WEDNESDAY,
THURSDAY**

Messy ART

Who is ready to get messy? Hands on art lets children spark their imagination, helps build problem solving skills and allows children to explore with all their senses. We will create murals, make puffy paint, tie dye and create creepy crawly slime.

JULY 12th - 28th

**TUESDAY, WEDNESDAY,
THURSDAY**

SPLASHING INTO SUMMER

Let's grab our sun screen, sun glasses and pails, as we head to the beach. This month we will create sand castles, enjoy sensory play with water beads and run through sprinklers.

You never know if we may encounter some mermaids or sea creatures along the way.

Come join the aquatic fun!

OVERVIEW

In the summer months your child can continue their enriching experiences with us at Purple Moose Enrichment Preschool. Campers ages 3-6 (2's will be welcomed for the August Session) are welcome to join us during the month of June, July and August. Camp offers many hands-on learning adventures through thematic units. Our themes include a well-rounded curriculum that allows the young child opportunities to expand knowledge of their natural world, reasoning, problem solving skills, enriching language and vocabulary. Creativity is inspired through open-ended art and music experiences. Of course this wouldn't be summer camp if we didn't spend plenty of time outdoors...playing.

**We are going to be providing snack for all the campers—
so moms and dads get extra rest too.**

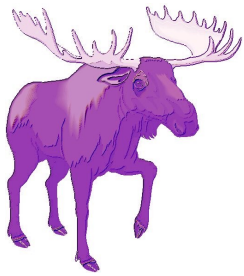

August 2nd—11th

**TUESDAY, WEDNESDAY,
THURSDAY**

ABC's of NATURE

Each day of Camp has a different nature theme and ecological focus. We will pair the theme with a letter so children are learning about the actual plants, trees, animals, birds, and insects in our surroundings, while brushing up on their alphabet. Each day will be packed full of fun games that teach nature concepts, crafts, scavenger hunts, songs, stories and science investigations using tools and equipment.
